

2011-2012 Class Schedule

Fall Semester begins August 15, 2011 and ends December 18, 2011.

Spring Semester begins January 3, 2012 and ends May 12, 2012.

Following Semester Exams, regular class time will be devoted to the learning and rehearsing of choreography for the performance during the “Practicum” period. A special rehearsal schedule (different class times) will also be followed for the 2-3 weeks leading up to the performance-- see the Family Handbook for more information.

*Please refer to the **IBC Annual Calendar** frequently for important dates regarding semester exams, school closings, and performances.*

Our easy-to-read, colored block schedule is also available for viewing on our website, www.IndianaBalletConservatory.org.

Reduced Schedules:

For maximum progress, a student should take all recommended classes in the curriculum for his/her level. Please note that any student wishing to take a Reduced Schedule must submit a request in writing to the Academy Director for approval by the Artistic Director. In most cases, participation in performances and competitions, and priority in scheduling private lessons, is available only to full-time students, although special cases may apply.
